BATTLE TESTED.

Leading Nevada's Fight to Stop Obamacare

Mark Hutchison was appointed by Governor Sandoval as special lead counsel to head Nevada's legal fight against Obamacare.

Hutchison did it for free, at no cost to taxpayers.

Hutchison took the fight all the way to the U.S. Supreme Court.

Hutchison has been in every courtroom battle, making the case against Obamacare on behalf of our state and fighting to protect the constitutional rights of every Nevadan.

As lieutenant governor, Hutchison will continue to stand up to Washington and defend our constitutional rights.

BATTLE BORN LEADER.

Born, Raised and Started His Own Business Here

Mark Hutchison was born and raised in Nevada, the son of hardworking blue collar parents who instilled in him the value of hard work.

He got his first job at age 11, delivering newspapers, and worked his way through Bonanza High School and college at the University of Nevada, Las Vegas.

After college, Hutchison served a two year mission for his church before graduating from Brigham Young University Law School and starting his own business.

Today, Hutchison's business has grown into one of Nevada's major law firms, creating jobs for over 90 employees while making the tough decisions, meeting payroll and balancing a budget.

As lieutenant governor, Hutchison will continue working to protect Nevada jobs and create the new, higher paying private sector opportunities Nevadans need and deserve.
