John Lee: Revitalizing North Las Vegas

Creating New Jobs

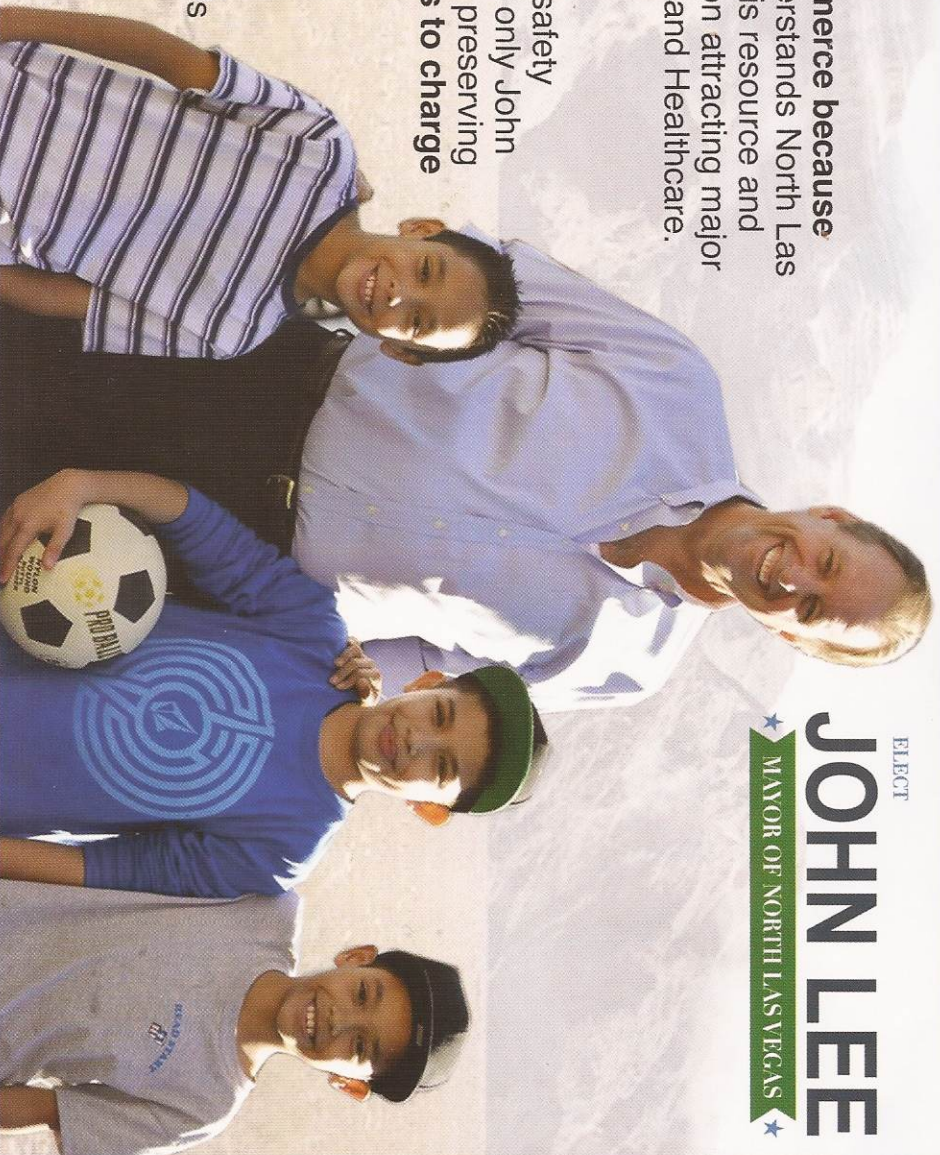

John is proudly endorsed by the Chamber of Commerce because **they know we desperately need leadership** that understands North Las Vegas is land rich and has the know-how to leverage this resource and attract new businesses. As Mayor, John Lee will focus on attracting major development in three key areas - Logistics, Aerospace, and Healthcare.

Enhancing Our Quality of Life

Our quality of life hangs in the balance — from public safety to parks to libraries to neighborhood preservation — and only John Lee has the proven track record balancing budgets and preserving vital services for our residents **and stopping proposals to charge park amenity fees.**

Protecting North Las Vegas

Shutting down our city's jail and releasing over a hundred criminals into our neighborhoods, reducing the number of police officers below national safety standards are not the statistics any of us want for our city. **Our Police Officers and Supervisor's endorse John Lee's commitment to keep our safe streets.**
