

# DON'T PUT A PAWN ON THE CITY COUNCIL

Paid for by the Committee to Elect Anita Wood  
North Las Vegas City Councilwoman, Ward 3  
4108 Bola Drive  
North Las Vegas, NV 89032

# JANICE RIDONDO IS JUST A PAWN FOR CLARK COUNTY COMMISSIONER TOM COLLINS

County Commissioner Tom Collins “wants to play kingmaker” so he’s trying to get his employee and tenant, Janice Ridondo, elected to the City Council to do his bidding. Collins supported Anita Wood four years ago but Anita stood up to him and his bad ideas. Collins wants to raise your property taxes to make you pay for raises for his police and fire union boss buddies. Anita is opposed to raising your property taxes to fund pay raises for the few when so many of us have taken pay cuts and are underwater on our mortgages. Now Collins wants revenge so bad he moved his employee into Anita’s district, rented out his property to Ridondo to run for Council, and he’s even funding a shadowy PAC to send out nasty, false mailers attacking Anita Wood.

Janice Ridondo is just an employee, tenant and pawn of Tom Collins. She would do his worst bidding and that’s not what North Las Vegas needs right now.

Vote NO on Janice Ridondo.

## RALSTON | Reports

“Clark County Commissioner Tom Collins’ effort to take over his turf in North Las Vegas by promoting his community liaison’s candidacy took a bizarre turn as he put out a . . . mail piece designed to help Janice Ridondo. I guess Collins really wants a voice on that city’s council.”
